

PROMASTAR Leads The Region By Completing Oracle P6 EPPM Specialization Model

PROMASTAR is officially announced to be one of first Oracle Partners across the EMEA region to successfully complete the P6 EPPM Specialization Model on both Business & Competency Criteria. This achievement is considered another step towards leadership and exclusivity as it recognizes PROMASTAR as an expert in solution areas being an Oracle Preferred Partner.

On this accomplishment the PROMASTAR management stated "We are very happy to see our PROMASTAR moving towards achieving organizational level and we look forward to meeting the requirements of the areas of specialization as Oracle defines them". The management also showed appreciation of the PROMASTAR team by adding "Congratulations to all of us, promises of more successes to come and visible changes in the near future".

Furthermore, the PROMASTAR team of managers, trainers and consultants efficiently passed the specialization exams in the areas of sales, pre-sales, implementation and technical support, which positions PROMASTAR as a customer preferred in the solutions area.

It is worth mentioning that PROMASTAR is a professional consulting house that creates value for clients throughout EMEA and Gulf region by providing high quality project portfolio management services.
